Lyon County Education Association Mini-Grant Thank You

I was recently awarded a Lyon County Education Association mini-grant and wanted to thank the LCEA! I used the money to buy individual CD players to use during my literacy block for listening centers. When students have their own CD players to use, it reduces behavior problems and keeps students more engaged. My students were so excited when I brought in these new players. We already had several in our classroom but they were old and most did not work properly, so we spent much of our time working on them. Now the time can be spent enjoying literature.

Thanks again LCEA!!

Mrs. Amber Westmoreland and Class

LCEA plans to offer Mini-Grants again during the 2010-2011 year. Applications will be included on the LCEA website when they are available.
